

September Edition 2015

Dear Parents,

Welcome back to the academic year 2015/16. I hope you all had a lovely holiday.

The children have all come back refreshed and have all settled into their new classes really well.

We have welcomed lots of new pupils, new staff and have extended our therapy teams. We've also added two new members to our Senior Leadership team: Kate Campbell and Steve Thompson.

All of our Key Stage 1 classes have now been refurbished and our new Key Stage 2 lunch hall has been extended and the extra space has made lunch time more pleasurable. We are also thrilled with the high quality of our food and this is all thanks to our new chef Khal.

Our Reception new build is coming to an end at last and we hope to open these new classes in late October.

I look forward to seeing you at our Eid celebration.

Best wishes,
Jayne

MAST TEAM 2015

Don't forget to visit our Twitter account for regular updates on our pupils and their school!
@ManorSchBrent

Following the expansion of the school there will be an extra sixteen members of staff joining us over the Autumn Term. We hope you will be able to meet them during our school events and help welcome them to our school environment. To help support personalised learning in the school we have also formed a Multi-Agency Support Team (MAST), which includes our expanded SaLT and OT teams as well as a two new Senior Leaders and our Parent Liaison Worker.

Clothing

Please can our parents and carers make sure that any clothing sent to the school is clearly labelled with their child's name, including their uniform, P.E. Kit and Swimming Kit.

EID Banquet

We would like to invite our parents/carers and governors to our EID Banquet at 2pm on the 25th September. We would love for all of our guest to bring along a home cooked dish, especially our favourite dishes of curries and rice, and there will also be Henna painting too!

Rights Respecting School

Manor School is just beginning the exciting journey towards becoming a Unicef recognised Rights Respecting School (RRS). In a Rights Respecting School children and adults work together to ensure that children's rights are taught, practiced, respected, protected and promoted each and every day. Working towards the award will have a positive impact on learners across the school by supporting them to grow into confident, active and empowered young people.

Key findings, our action plan and half-termly updates will be communicated via the school website and in the school newsletter.
