

Manor School

Head of School: Steve Thompson

- I'm very honoured and proud to have been appointed Head of such a fantastic school. My first half-term in post was a rewarding one. Jayne and I continue to work closely which has ensured a smooth transition, and I'm delighted to share that our recent Challenge Partners Review reiterated that Manor School is an 'Outstanding' school.

Manor School

Head of School: Steve Thompson

- It's our wonderful pupils, families and staff that make this such a wonderful school, so thank you for your continued support. I'm looking forward to working closely with families over the coming months. We plan to set up a 'Parents' Council' so that families have an official platform to share thoughts and ideas. I'm confident that this will support the school to go from strength to strength.

Head of School: Kate Campbell

- We have had a great half term at The Avenue. The pupils have really been enjoying using the new trampoline in the playground. We welcomed four new pupils to the school in January, and they have settled in really well to their new surroundings.

WORLD
**BOOK
DAY**

1 MARCH 2018

- We are celebrating World Book Day on Thursday 1st March 2018. The children can come to school dressed as their favourite book character. Two parades are planned in the middle hall: EYFS & Key Stage 1 at 9.30am, Key Stage 2 & The Avenue at 10:15am. All parents are most welcome to attend and we hope to see you there!

- World Book Day: 1st March 2018
- Science Week: 12th -16th March 2018
- Sport Relief: 23rd March 2018
- International Day: 28th March 2018

- Congratulations! Another group of parents have successfully completed their Makaton Beginners' Workshop with our Local Makaton Tutor, Rebecca May. Our next workshop will be Thursday mornings 9.15-11.45am on 8th, 15th, 22nd and 29th March, subject to demand. If you are interested in attending this training, please call the school and ask to speak to Rebecca or Ellie.

- This term Maple, Sycamore and Orchid Classes have been testing out our brand new school shop. Each week these pupils are able to buy a small toy that they can keep and take home. They have been very excited to be a part of this project and we are looking forward to involving even more classes later in the year.

- In the summer term we will be celebrating 'My Money Week' for the first time as a school and we will be holding a whole school Maths Day as part of this. More information will follow.
- When you are out shopping, perhaps you could let your child scan the items or hand over the coins, as this will give them real-world experiences and essential life skills.
