

## Use of the EYFS Pupil Premium December 2017

### Introduction

The pupil premium is a Government initiative that provides extra money for vulnerable pupils. Vulnerable pupils are identified as those who are in receipt of free school meals, looked after children and children who have a parent working for the armed services.

Schools may use their data to decide how best to spend this money. The money must be spent on 'narrowing the gap' between pupils who have been identified as vulnerable in comparison to those who have not. Schools will be accountable for their performance and must report this on all aspects of Pupil Premium Spending.

### What will we receive?

In the Year 2017-18, 3 EYFS pupils who receive free school meals are eligible to receive £1,320 Pupil Premium Funding. The school predicts that we will receive £3,960 for Early Years pupils.
